Subject: Division Directive to Provide Additional Reclamation Surety, Bonneville Quarries, Grouse Creek Mountain, M/003/0031, Box Elder County, Utah

Dear Mr. Bown:

On June 11, 2012, you received the Division's letter of June 7<sup>th</sup> which documented a review of the reclamation surety pursuant to rule R647-4-113.6. This letter documented the need to increase the surety amount for the Grouse Creek Mountain Quarry from \$18,700 to \$20,000. You were requested to provide the increased surety by August 15, 2012. Contact information with the Division was provided to answer questions or provide assistance in completing this request. To date, the Division has not received the increased surety, nor have we heard from you regarding this matter.

You are hereby directed to provide the increased surety (an additional \$1,300.00) by October 26, 2012. Failure to do so is likely to result in the Division taking formal enforcement actions which may include civil penalties being levied, cessation of operations, or an order to commence immediate reclamation of the Grouse Creek Quarry.

Please call Lynn Kunzler at 801-538-5310 or me at 801-538-5261 if you have questions about this requirement. Your prompt attention to this matter will be greatly appreciated.

Sincerely,

Paul B. Baker
